STEPS TO APPLY FOR APPFA ACCREDITATION

These steps apply for both initial and reaccrediting applicants.

PRE-APPLICATION

- Download and review the current [APPFA Application Manual](#). Review the current APPFA Accreditation Criteria.
- Perform a program [gap analysis](#). (Note: This resource is provided as a self-directed aid. You will not submit a completed gap analysis to the APPFA Team.)

BECOMING AN APPLICANT

- Contact the APPFA Team if you are unsure of the appropriate review cycle for your program.
- Submit a completed [APPFA Application Form](#) to confirm your program's eligibility according to the cycle application deadline.
- Access the APPFA Applicant Resource Center and review its webinars and tutorials. Download and begin using the required document templates. (Note: This resource center is provided only to official APPFA applicants.)

SELF-STUDY & DOCUMENT PREPARATION

- After program eligibility is confirmed, the APPFA Team will schedule a brief welcome webinar to review the Applicant Resource Center and program eligibility letter in detail.
- Submit program self-study package by assigned due date.
- Gather program data, organizational charts, and documentation required for your application.
- Submission of APPFA self-study, APPFA site and specialty/service line crosswalk (if applicable), and APPFA Accreditation with Distinction self-study (if applicable).

DOCUMENT REVIEW & SURVEY

- The learners identified in the survey will complete the APPFA Learner Survey (**51% response rate is required for the appraisal process to move forward**).
- Appraisers complete a qualitative review of the self-study.
- Written additional documentation may be requested from appraisers, if needed.

VIRTUAL VISIT

- Complete a Virtual Visit with the appraiser team to amplify, clarify, and verify findings in the self-study and additional documentation.
- Appraisers prepare a final report for the Commission on Accreditation of Practice Transition Programs (COA-PTP) based on the self-study, additional documentation, and Virtual Visit.

ACCREDITATION DECISION

- The Commission on Accreditation of Practice Transition Programs (COA-PTP) reviews the appraiser team's final report and aggregate data from the Learner Survey.
- If submitted and review eligibility is met, COA-PTP reviews AWD self-study and votes on an accreditation decision.
- Program accreditation may be granted for four years.

ABOUT THE APPFA SELF-STUDY(IES)

SUPPORTING DOCUMENTATION

- Supporting documentation provides a context for understanding the APPFA Program (“the program”) and the organization or specialty(ies)/service line(s) where the program is operationalized.
- The applicant must submit self-study(ies) following the PDF bookmarking guidelines in Chapter 3 of the *2023 APPFA Application Manual*.

NARRATIVES

- Applicants will write a separate narrative to address each program criterion. A narrative is a description and demonstration (example) of how the APPFA requirements are present and operationalized within the program.
- Only one narrative description is allowed per criterion. A minimum of one paragraph per narrative component (description and demonstration) is required.

TEMPLATES

The APPFA Team has developed templates to help applicants complete the requirements for self-study. All templates can be found in the Applicant Resource Center. Access to the center is granted after eligibility is confirmed.

<p>Program Self-Study Template</p> <p>REQUIRED FOR DOCUMENT SUBMISSION</p>	<p>Aggregated Quality Outcomes Table Template</p> <p>OPTIONAL</p>
<p>Site and Specialty/Service Line Crosswalk Template</p> <p>REQUIRED FOR DOCUMENT SUBMISSION</p>	<p>Program AWD Template</p> <p>REQUIRED FOR DOCUMENT SUBMISSION (IF APPLICABLE)</p>

WRITING TO THE APPFA CRITERIA

A narrative description of how the program operationalizes each criterion is required for each of the five domains: Program Leadership, Program Goals and Outcomes Measures, Organizational Enculturation, Development and Design, and Practice-Based Learning.

Narratives provide an opportunity to tell how the program is adhering to the accreditation criteria and requires both a description (“describe”) and demonstrate (“example”) for each criterion.

HOW TO WRITE A DESCRIPTION (“DESCRIBE”)

- The description should be a general overview of the structures, processes, or policy(ies) used by the applicant program to meet the criterion requirement.
- Tell the **who, what, where, when, why, and how** (as applicable).
 - Who is involved or responsible? When does it happen and how does it happen? Why do you do that?
 - What do you do, or expect to do, every time, with every cohort, in relation to this criterion?
- Close your eyes and listen to a colleague read your description out loud.
 - Is this capturing the entire process asked about in the criterion?
 - Does your response answer the whole question?
 - Can an outsider understand your structures and processes?

In the end, your descriptions provide an instructional guide on how to run the program.

HOW TO WRITE A DEMONSTRATION (“EXAMPLE”)

- Tell a story that substantiates the structures, processes or policy(ies) in the description. The demonstration should be specific.
- The demonstration should be specific and detailed, showcasing how the applicant program operationalized the process (description) in a real-life incident.
 - Demonstrations **must** include details such as names, dates, specialty(ies)/service line(s).
 - Talk about real people and real events.
 - Tell a story about someone who went through an experience that demonstrates the component of the criteria.
- Do not attach a document in place of a written example.
 - If using a document to show something that happened, expand on how it relates to the process described and the events surrounding how it was used.
 - Additional supporting evidence in the narratives must be limited to no more than 2 documents.

Demonstrations should bring the structure, processes, and policies to life!

GENERAL TIPS FOR WRITING THE APPFA AND AWD SELF-STUDY

- Pause and reflect on the intent of the APPFA standard.
 - Determine what the question is asking, and remember to answer all parts of the criterion requirement in each response.
- Answer the standard requirement directly and completely.
- When an individual’s name is used in the narrative, indicate their position/ title to ensure the reader can follow your response.
- Give enough background/context for the reader to understand the response. You do not want the appraisers to assume anything.
 - Spell it out!
- Ask several colleagues to read your responses and tell you if you have answered the standard requirement.

SELF-STUDY SUBMISSION CHECKLIST

SUPPORTING DOCUMENTATION

Each piece of requested supporting documentation is included and correctly bookmarked.

No more than two items of additional supporting evidence are allowed per criterion response.

NARRATIVES

Each criterion response has a description and demonstration narrative.

Descriptions are at least one paragraph and answer the question in the criterion completely.

Note: Complete but concise responses generally require 2-3 paragraphs per description and demonstration.

Demonstrations tell a story that showcases how the process described is implemented in real life.

Note: Demonstrations must include names, roles, and credentials (if applicable) for any individual stakeholder or learner.

Demonstrations are written in the narrative format.

Note: Demonstrations referencing only an attachment are not accepted.

FORMATTING

All narratives and supporting documents are included in one single PDF file with bookmarks.

The PDF file is no longer than 500 pages.

The PDF file is no longer than 30 pages for APPFA Accreditation with Distinction.

ABOUT THE LEARNER SURVEY

PURPOSE

- The Learner Survey invites learners to share their perceptions of the applicant fellowship program. Responses are a complement to the program's self-study and Virtual Visit.

TYPES OF QUESTIONS

- The learner survey asks questions relevant to the presence of essential elements of a practice transition program. It covers these topics:
 - Mentor(s)
 - Preceptor(s)
 - Resource allocation
 - Orientation process
 - Program curriculum
 - Program goals and outcome measures

REQUIRED RESPONSE RATE

- The minimum response rate of 51% of all eligible learners to participate in the survey is required. Learners will have 30 calendar days to complete the survey once it has been distributed.

ELIGIBILITY

- The survey invites learners who are currently in the program or who have participated in the program in the 12 months preceding the application submission date from all eligible site(s) and speciality(ies)/service line(s).

CONFIDENTIALITY

- Individual survey answers are completely confidential. Survey responses are submitted via a secure website, which only authorized APPFA Team may access. No one in your program can view individual responses.

REPORTING OF RESULTS

- Responses from your program are combined to produce a summary report that includes the average aggregate response for each domain about the fellowship program. Demographics are not included in the summary.

Learners who *participated* in the fellowship program from eligible site(s) and speciality(ies)/service line(s) during the 12 months preceding the application are requested to respond to the Learner Survey.

- The number of learners (“N”) from eligible site(s) and specialty(ies)/service line(s) who *participated* in the program in the previous 12 months, including any still in the program, who completed or who left the program, must be reported on the APPFA Application Form, regardless of their current status with the organization.
- **At least 51% of the N reported on the APPFA Application Form must complete the survey. Failure to meet this threshold will result in the application review process ceasing.**
- The APPFA Team will provide written confirmation of survey dates and additional distribution instructions to the Program Director. The survey hyperlink will be provided by the APPFA Team.

ABOUT THE VIRTUAL VISIT

PURPOSE

- The Virtual Visit consists of an audio and video conference between the applicant and appraiser team.
- The purpose of the Virtual Visit is to clarify, verify, and amplify program adherence to APPFA criteria.
- APPFA Appraisers utilize the Virtual Visit to determine operational consistency of the program across all participating sites and specialties/service lines.

VIRTUAL VISIT DATE

- APPFA appraisers will propose three dates for the applicant to choose from for the virtual visit. Typically, the virtual visit is scheduled between five and eight weeks after document submission.
- If proposed date and time options do not work for the program, the Program Director must inform the APPFA Team immediately with significant rationale.

CONFERENCE CALL/VIDEO REQUIREMENTS

- The applicant organization will arrange and pay for the conference call. Web conferencing systems with video capability (e.g., Zoom, Teams, WebEx) are required.
- The Program Director should communicate instructions, including what to do if the appraiser team experiences technical difficulties or cannot access the conference line, as directed.

AGENDA

- An agenda is sent 2 weeks prior to the Virtual Visit from the Appraiser Team Leader.

LENGTH OF VIRTUAL VISIT

- The visit can last between 3–4 hours.
- Depending on the number of sites in a **multi-site review**, alterations may be required to call times/length. The Program Director must be available to the Appraiser Team Leader for a planning call prior to the visit.

ATTENDEES

- **Program Director:** Required to participate for the full length of the Virtual Visit; The visit will not be held if the Program Director does not participate.
- **Executive Leadership:** Required for brief interview; CNO (at system level if multisite program) and/or CMO (as applicable).
- **Directors/Managers of Specialty/Service Line Settings:** Required.*
- **Preceptors/Faculty:** Required.*
- **Specialty/Service Line:** Required.*
- **Learners:** Required.*
- **Specialty Coordinator (SC) or Site/Service Line Coordinator (SLC):** May be required to participate (as applicable).

* Appraisers will select individuals by name/role if mentioned in self-study OR identify specific site(s)/specialty/service line for applicant to select.

RECORDING THE VIRTUAL VISIT

- Recording of the visit is prohibited.
- Consultants or curriculum vendors are not allowed to attend the Virtual Visit.

ADDITIONAL EVIDENCE AFTER THE VIRTUAL VISIT

- Additional evidence must be submitted within 72 hours if requested by appraisers. There are no additional fees required for additional evidence requests.

Note: The Virtual Visit is the final applicant portion of the appraisal review process. The accreditation decision is not made by appraisers, and the outcome of the appraisal review will not be discussed on the Virtual Visit conference.

ABOUT APPFA REVIEW OUTCOMES

- The Commission on Accreditation of Practice Transition Programs (COA-PTP) conducts a thorough, evidence-based review of the final appraiser report, aggregate survey response, and AWD self-study (when applicable).
- Following review, the COA-PTP votes to determine the outcome of the appraisal review for APP Fellowship Programs.
- The APPFA Team notifies the APPFA Program Director of the decision. The possible outcomes of the COA-PTP’s vote include:

ACCREDITATION DENIED	<ul style="list-style-type: none"> • The COA-PTP may determine that the threshold for meeting APPFA standards has not been met, and accreditation will be denied. • Applicants may submit a new application after addressing deficiencies.
ACCREDITED WITH PROVISIONAL STATUS	<ul style="list-style-type: none"> • Opportunities for improvement may be identified in the review process, more extensive than a progress report (see Accredited status below). • Provisional status is only known to the program and ANCC; it is not made public.
ACCREDITED WITH PROGRESS REPORTS	<ul style="list-style-type: none"> • The program is accredited but is required to submit a progress report addressing opportunities for improvement. • The status of having a progress report is not externally facing.
ACCREDITED	<ul style="list-style-type: none"> • The program is accredited and has no deficiencies.
ACCREDITED WITH DISTINCTION	<ul style="list-style-type: none"> • Applicant program must declare intent to apply for distinction. • See Chapter 5: APPFA Accreditation with Distinction Standards in the <i>APPFA Application Manual</i>. • This is the highest level of accreditation bestowed by the COA-PTP.

HOW TO CREATE ADOBE PDF BOOKMARKS & OTHER FORMATTING TIPS

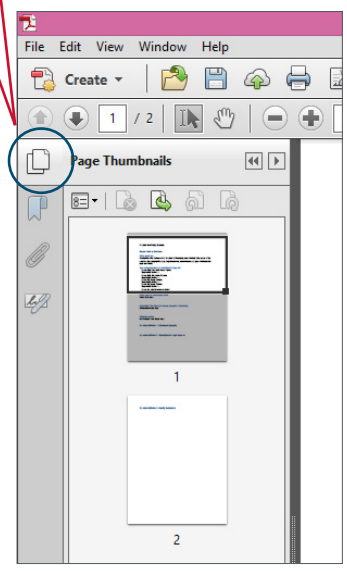

Applicant programs are required to use the APPFA self-study templates and format documents according to the [APPFA Application Manual](#). The APPFA self-study and APPFA AWD self-study must be submitted as PDF-bookmarked files. Following is a written tutorial with tips on creating and organizing PDF bookmarks.

ADOBE ACROBAT ICONS

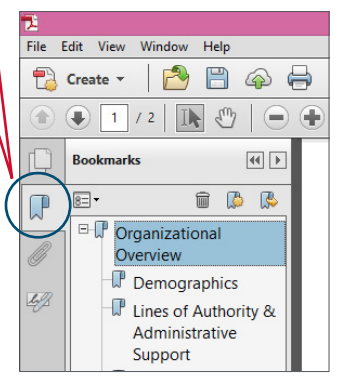

On the left side of your PDF file, you will see a series of icons; these are the navigation icons for your document.

The page icon will show thumbnails of each page of your document.

The ribbon icon will show all of your bookmarks.

COMPILING YOUR DOCUMENTS INTO A PDF

On the left side of your PDF file, you will see a series of icons; these are the navigation icons for your document.

STEP 1

CREATE SELF-STUDY USING WORD DOCUMENT TEMPLATE

- Save your APPFA self-study document using the required template. Move on to the next step when you have finished editing all text and checked spelling, grammar, etc.
- **You cannot edit the text once you have imported the document into Adobe Acrobat.**
- Have your Supporting Documentation and any appendices saved and organized.

STEP 2

COMBINE YOUR FILES IN ADOBE ACROBAT PRO

- Open Adobe Acrobat. Below is a screenshot of the menu. On the left is a list of documents that you have previously opened or created (recent files). On the right are your task options. Click on “Combine Files into PDF” (toward the bottom right) to compile your document.

Screenshot 1: Adobe Acrobat Pro Menu

After you select Combine Files into PDF, you will select the documents to be compiled. Select the files and "Open."

TIP: Have all your files ready in one folder for easy browsing.

TIP: If you don't see all your files, make sure the browser is displaying "All Supported Formats." See bottom right of Screenshot 2.

Screenshot 2: Select files to combine.

You can now put the files in the order you want them to appear in your PDF. Then select "Combine Files."

Your new PDF file will now open.

Screenshot 3: Place your files in order before selecting "Combine Files."

STEP 3

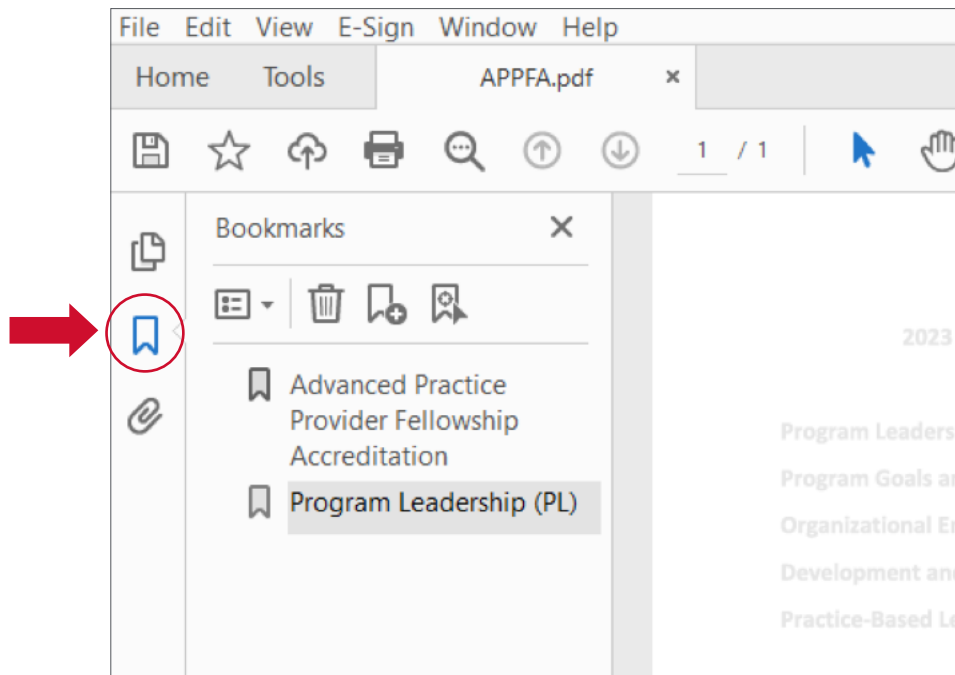

CREATING BOOKMARKS

On the left, click on the ribbon icon, which opens the Bookmarks Navigation pane.

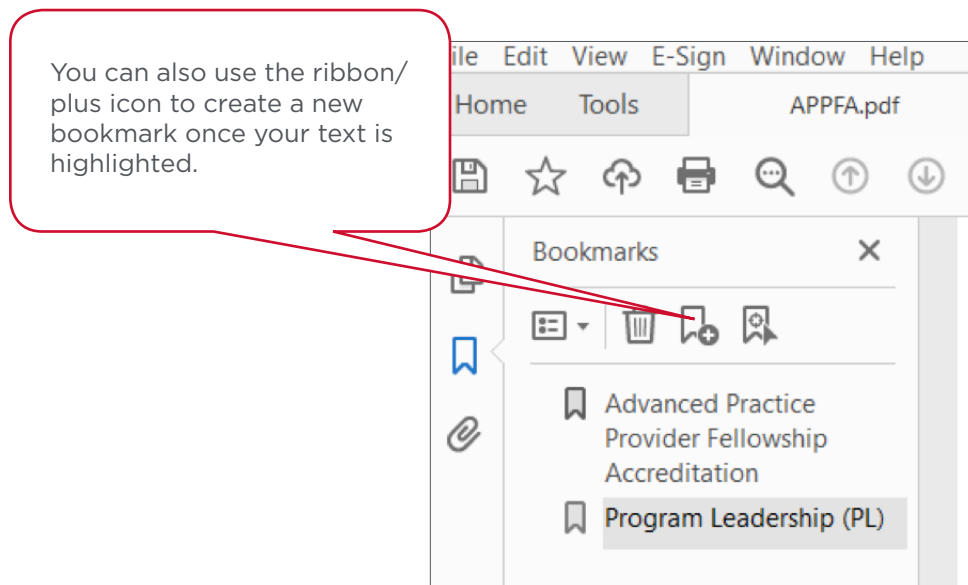

Screenshot 4: Creating a new bookmark.

Find the text in the document that you wish to make a bookmark. Using the Text Select Tool from the Acrobat toolbar (the arrow above and to the right of the bookmarks toolbar) and highlight/select the text with your mouse that you wish to use for the bookmark label. The highlighted text currently selected in the document is used as the bookmark's label. If no text has been highlighted, type the text for the bookmark label and press Enter. (Bookmark labels can be up to 128 characters long.)

Screenshot 5: Use the Selection Text Tool to highlight text to create the next bookmark.

Screenshot 6: The New Bookmark icon

Repeat until all bookmarks are created.

STEP
4

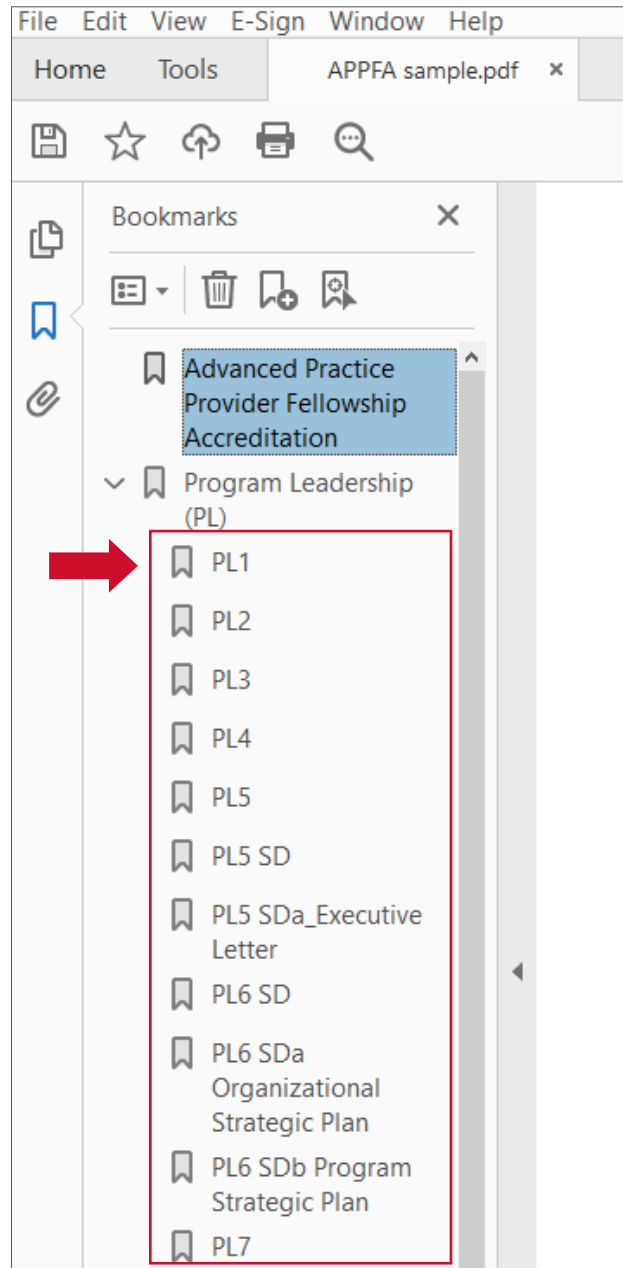

NESTING BOOKMARKS

On the left, click on the ribbon icon, which opens the Bookmarks Navigation pane.

You can nest/indent a list of bookmarks to show a relationship between topics. Nesting creates a parent/child relationship. You can expand and collapse this hierarchical list as desired. **Remember: The nested pages must be bookmarks first to do this.**

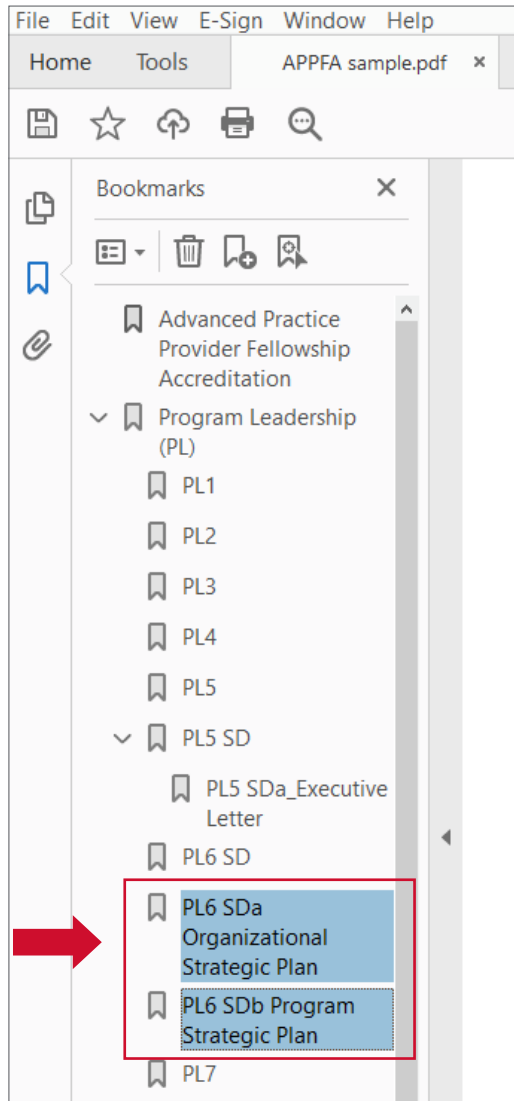

When you are finished, you will be able to jump from page to page throughout the document. Follow the steps below to nest one or more bookmarks under another bookmark:

First, make all of bookmarks visible in the Navigation pane on the left.

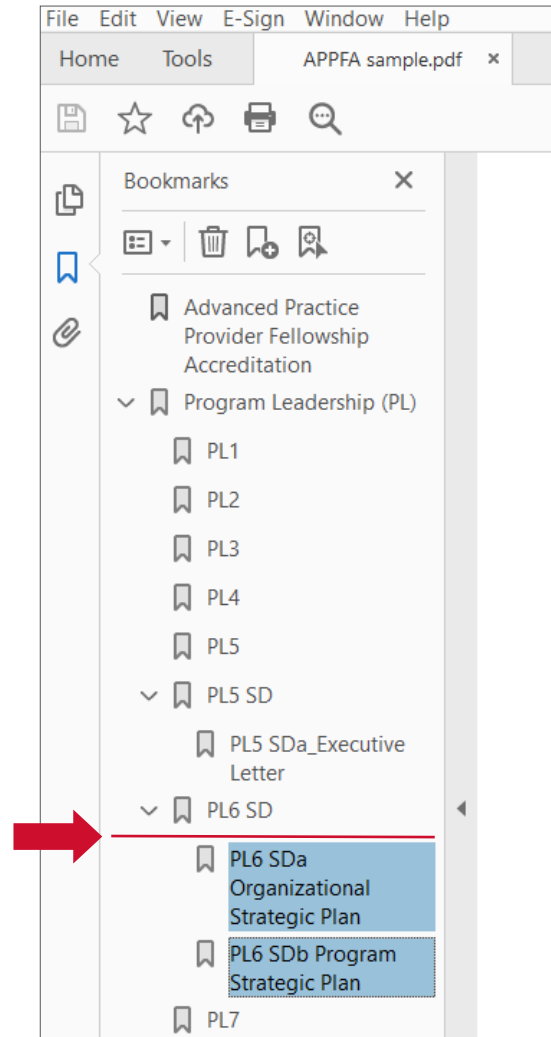

Screenshot 7: Bookmarks without hierarchy

Select/highlight the bookmark or range of bookmarks you want to nest (click the first bookmark, hold down the shift key and click the last bookmarks in the series). Below, all of the bookmarks that will be moved to the subheaded folder “PL6” have been highlighted:

Screenshot 8: Select bookmarks to move.

Drag the highlighted bookmarks underneath what will become the parent bookmark or section heading. A line with a black triangle on the left will appear that shows where the bookmarks are being moved to. See the Navigation pane in the picture below.

Screenshot 9: Use the black arrow to place bookmarks under the appropriate header.

Release your mouse and the bookmarks will be moved. **NOTE:** *The actual pages will remain in their original location in the document.*

Make sure to save your final bookmarked file for submission via ShareFile.

The screenshot below demonstrates proper organization and formatting of an APPFA self-study.

Screenshot 10: Bookmarks were created for all required supporting documents, narrative responses, and additional evidence. Bookmarks are organized and nested appropriately.

READINESS BUNDLE

As you prepare to pursue accreditation of your APP fellowship program, we recommend completing the tools in the readiness bundle to aid in identification of gaps in your program. This analysis will reveal opportunities for program improvement, which will lead to action plan development and the best chance for accreditation success.

Additionally, we recommend completing this review annually in your strategic planning for program revisions.

GAP ANALYSIS TOOL

INSTRUCTIONS

The Gap Analysis tool should help you identify missing components or areas to improve upon as you begin your journey to accreditation. Program domains and focus points are listed to aid in your review, and space is provided to include gap details as well. As you investigate the details of your gap, you will notice the tool uses a “structure” or “curriculum” flag. This flag will assist you as you move to your action plan phase. You’ll be able to consider whether this gap requires a structure change, which may involve a multitude of stakeholders and financial resources, or is it a curriculum gap in which the Program Director has the authority to implement changes quickly?
